

Boca Java RESERVE

Light Roasts

Hawaiian Kona

One of the most sought-after specialty coffees, Kona coffee is grown under optimal conditions on volcanic mountain slopes of Hawaii. Our 100% authentic Hawaiian Kona offers an extremely balanced cup with an exotic combination of floral aromas and a whisper of soft chocolate

Medium Roasts

Jamaican Blue Mountain Reserve™

One of the world's most sought-after coffees, Jamaican Blue Mountain Reserve is characterized by a mild, slightly sweet flavor with an enticing nutty aroma and long finish. Our 100% authentic, limited-reserve beans are some of the rarest available.

Panamanian Rainforest™

A sumptuous coffee with rich body and well-rounded, bold acidity. Hints of caramel offer a pleasing finish. Grown under optimal conditions in volcanic soils, it flourishes on the Panamanian estate of El Carmen. Panamanian Rainforest is one of the most exquisite coffees you will ever taste.

Pure Peruvian™ organic coffee

Intensely bright and light-bodied, Pure Peruvian is an exquisite light to medium-roast certified organic coffee. Made from the highest quality of regional coffee beans, its pleasing nutty character and aroma with hints of chocolate lead to a nice, long finish.
